

Delineation of Functions Review Committee Meeting

Monday, April 12, 2010

Cypress Room

AGENDA

1. Introducing Topic
2. Review Process, Timelines, Outcome
3. Discuss Approach (including the need for forums/feedback)
4. Future Meetings

Meeting Notes:

Jing asked the attendees to remind the newly appointed Self-Study Co-chairs at each college that they are standing members of the District Accreditation Coordinating Council, along with ALOs. Council is chaired by Jing.

Group agreed to use their own colleges' shared governance/planning bodies to review the Delineation of Function Map prior to the end of the spring term. Results will come back to the group by June 8 when it meets. Minutes need to be widely communicated on campuses.

Ray suggested and agreed by all that the current District Accreditation Coordinating Council needs to meet soon to discuss responses to District Recommendations. Jing will arrange it for May.

Next Meeting: Tue, June 8, 3-4pm via CCCConfer (web and phone)
