S	Technology Master Plan				Implement Plan				Implement Plan		
C	Student Equity Plan	Develop Plan				Plan Update			Plan Update		

Legend:

C = the College is primarily responsible

D = the District is primarily responsible

S = the District and Colleges share the responsibilities.

PA & R (Planning Assumptions and Recommendations)

Note: This integration and synchronization chart has been agreed upon by the Colleges; however, certain aspects of a plan and certain plans may operate slightly off schedule due to unforeseen events or readjustments. It is also hoped that by the next planning cycle, beginning in 2014-2015, various plans and planning processes will be synchronized.
