

STUDY in CALIFORNIA with a SCHOLARSHIP!

“ Everyone at Skyline College is very welcoming and helpful, especially because I am an international student and I didn't know anybody or anything about this culture.

After orientation I knew what to expect from the school and myself, and now I can set my educational goals.

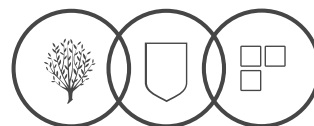

I love it here! ”

- Naledi, Skyline College Student
From Durban, South Africa
Attended Crawford College North Coast

The San Mateo Colleges of Silicon Valley are offering
Multiple Scholarships
including Full-Tuition Scholarships
