

STUDY in CALIFORNIA with a SCHOLARSHIP!

“ Cañada College is definitely a great school...I've met a lot of people who have changed me in a lot of ways and because of those people they have inspired me to be something greater. I am now doing a paid internship with a high tech company nearby!

I hope that you will come here as well to have the same kind of experience that I am having. It's the best thing in the world. ”

- Mr. Quang Huynh Le
Cañada College Student
From Vietnam
