Important Program Changes

Early Start Summer Bridge Program!

We are planning on offering summer ESL courses to incoming international students meeting our required minimum English language proficiency scores. For 6 to 8 weeks, students can enhance their English and get to know the colleges and the American culture before the fall semester starts. Students must be accepted for full-time enrollment in the fall to attend. Stay tuned to hear more details from us! If interested, send an email to "international@smccd.edu"

These three wonderful staff members work with you to complete the applications at each of our 3 colleges. Together with other college staff, they take care of the students on a day-to-day basis. Students love them and treat their offices as their second home.
