Colleagues,

In order to avoid time conflicts with Skyline CCTL's professional development opportunities, we will be slightly adjusting the times for the discipline specific faculty forums this week. We have also added a couple of more groupings – Allied Health and Career Education. This transition also has very profound impact for other disciplines not included here, including Early Childhood Education. So if you do not fall under one of the forums this week, or you think your department needs its own forum, please let me know; I am happy to facilitate. District efforts and resources to help faculty and staff with this transition, including these forums, can be found at: <https://instructionalcontinuity.smccd.edu>.

Here are the adjusted times:

- **Musical Performance:** Wednesday, March 18th, 2 – 3 pm
- **STEM Lab Faculty:** Wednesday, March 18th, 3 – 4 pm
- **Art/DGME:** Thursday, March 19th, 2 – 3 pm
- **Kinesiology/Dance:** Thursday, March 19th, 3 – 4 pm
- **Allied Health:** Friday, March 20th, 2 – 3 pm
- **Career Education:** Friday, March 20th, 3 – 4 pm

Zoom details to follow shortly, and I apologize for any inconvenience this has caused.
