TO: All Faculty
FROM: Leigh Anne Shaw, District Academic Senate President, SMCCCD
RE: Flex Obligations for 2017-2018
CC: College Presidents, Vice-Presidents, Deans, and Flex Coordinators

The SMCCCD provides a flexible calendar for staff development in accordance with California Code of Regulations, Title 5, Division 6, § 55724. There are six (6) Flex days in the 2017-2018 academic calendar:

- Monday and Tuesday, August 14 and 15, 2017 and Wednesday, October 11, 2017
- Thursday and Friday, January 11 and 12, 2018 and Thursday, March 8, 2018

Per Title 5, all Flex obligations are on “flexible time.” All faculty members are encouraged to attend Opening Day activities on Monday, August 14, 2017 and other special activities at each college on Tuesday, August 15, 2017.

Per article 7.11 of the AFT contract, faculty members on a regular academic year contract shall participate in such flex days as part of their basic assignments. Regular faculty will be expected to participate in flex day activities for five (5) hours per flex day. These activities may be conducted at any time during the year between June 1, 2017, and May 31, 2018. Five hours of professional improvement activities equal one Flex day. Activities will be self-certified, reported on the form attached, and submitted to the appropriate Division Dean upon completion. **Failure to report can result in the loss of time or wages, e.g., paid or unpaid leave.**

Full Time Submission Due Dates: FALL - December 15th SPRING - June 15th

Post-retirement and hourly faculty who are scheduled to teach on the same day of the week that a Flex Day occurs may receive compensation for reported Flex activities up to the total number of hours normally worked on that day(s). Those Flex activities may be conducted at any time during the year between June 1, 2017, and May 31, 2018. Additional hours will not be compensated. In addition to the reporting form, hourly faculty must submit a time sheet to their Division Dean in order to receive pay. **Flex days for post retirement and hourly faculty MUST be reported during the semester in which they were observed but NO later than December 15th for Fall semester and June 15 for Spring Semester.**

The activities below can be used to meet the Flex time obligation. Please check with your college Academic Senate President if you are in doubt about any other activity. Questions about this obligation or the process can be directed to your college Academic Senate President or your Division Dean.

Activities which college personnel will be engaged in during flexible staff, student and instructional improvement days may include, but need not be limited to:

1. Course instruction and evaluation
2. Staff development, in-service training and instructional improvement
3. Program and course curriculum or learning resource development and evaluation
4. Student personnel services
