San Mateo County Community College District

BOARD REPORT NO. 11-9-4C

| TO: | Members of the Board of Trustees |
|--------------|---|
| FROM: | Ron Galatolo, Chancellor |
| PREPARED BY: | Jing Luan, Vice Chancellor, Education Services and Planning, 358-6880 |

UPDATE ON 2013 ACCREDITATION

The three Colleges and the District are actively engaged in preparing for the 2013 Accreditation visits. The SMCCCD Accreditation Coordinating Council, chaired by the Vice Chancellor, Educational Services & Planning, is comprised of four Accreditation Liaison Officers (three from the colleges and one from the district), college steering committee co-chairs, and district personnel. The Council will coordinate the overall efforts in areas of information sharing and briefing to the Board of Trustees. Each college has formed a steering committee and writing teams/committees for each of the four standards according to the ACCJC guidelines. Faculty, staff, students and district employees are represented on these committees and writing teams. Personnel in the District Office have been assigned to each of the four standards based on their areas of responsibilities for the purpose of providing information and input.

Over the next two years, the colleges will be engaged in drafting and compiling their self-evaluation reports. The Board of Trustees, college governing bodies, and the college communities will be informed of the progress through formal presentations and periodic updates and will be invited to participate at various junctures throughout the process. Final drafts will first be reviewed and subsequently approved by various college governing bodies. The Board of Trustees will review and approve the self-evaluation studies prior to their submission to ACCJC.

The three colleges have established timelines that include the Board of Trustees review and ultimate approval of the self-evaluation reports. These timelines are attached to this report. The SMCCCD Accrediting Coordinating Council will bring periodic updates to the Board with increasing frequency as we approach the final approval of the self-evaluation reports in the summer of 2013.
