Subject: Mission Statement

This is the almost completely reviewed and edited Mission Statement for Cañada for which

approval will be requested from the Strategic Planning Committee convening next week. I believe

that this will be it.

Committee Draft – Mission Statement

It is the mission of Cañada College to ensure that students from diverse backgrounds have the opportunity to achieve their educational goals by providing quality instruction in general, transfer, career, and basic skills education, and activities that foster students' personal development and academic success. Cañada College places a high priority on supportive faculty/staff/student teaching and learning relationships, responsive support services, and a co-curricular environment that contributes to personal growth and success for students. The College is committed to the students and the community to fulfill this mission.
