INDEPENDENT AUDITORS' REPORT

The Retirement Board of Authority of the
San Mateo County Community College District
Retirement Futuris Public Entity Investment Trust
San Mateo, California

Report on Audit of Financial Statements

Opinions

We have audited the accompanying financial statements of San Mateo County Community College District Retirement Futuris Public Entity Investment Trust (the "Trust"), a fiduciary fund of San Mateo County Community College District (the "District") as of and for the years ended June 30, 2024 and 2023, and the related notes to the financial statements, which collectively comprise the Trust's financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of San Mateo County Community College District Retirement Futuris Public Entity Investment Trust, a fiduciary fund of San Mateo County Community College District as of June 30, 2024 and 2023, and the changes in its financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of San Mateo County Community College District and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the District's Trust, and do not purport to, and do not, present fairly the financial position of the San Mateo County Community College District, as of June 30, 2024 and 2023, the changes in its financial position, or where applicable, its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for one year beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Schedule of Changes in Net OPEB Liability and Related Ratios, and Schedule of Money-Weighted Rate of Return of OPEB Plan Investments on pages 13 - 16 be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 21, 2024 on our consideration of the District’s internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters for the Trust. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance for the Trust. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering San Mateo County Community College District’s internal control over financial reporting and compliance for the Trust.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following information of the San Mateo County Community College District Retirement Futuris Public Entity Investment Trust (the "Trust"), a fiduciary fund of the San Mateo County Community College District (the "District"), provides only general information of the Trust's provisions. Readers should refer to the trust agreement for a more complete description. These financial statements include only the resources of the Trust and are not intended to present fairly the financial position and results of operations of the District in compliance with accounting principles generally accepted in the United States of America.

Organization: The Trust is a contributory single-employer defined benefit healthcare plan trust administered by the San Mateo County Community College District through a third party. The Trust provides medical insurance benefits to eligible retirees and their spouses. Membership consists of 673 retirees and beneficiaries currently receiving benefits and 1,035 active plan members. The Trust is a governmental plan that is not subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Basis of Accounting: The accompanying financial statements are presented on the accrual basis of accounting. Contributions are recognized as revenue in the period in which contributions are due, pursuant to formal commitments as well as statutory or contractual commitments. Benefits and refunds of contributions are recognized when due and payable under the provisions of the Trust.

The financial statements of the Trust have been prepared in accordance with accounting principles generally accepted (GAAP) in the United States of America. In the U.S. the Governmental Accounting Standards Board (GASB) is the established and recognized standard-setting body for governmental accounting and financial reporting. The financial statements have been prepared consistent with GASB Codification Po50, Postemployment Benefit Plans Other than Pension Plans.

Funded Status and Funding Progress: Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, investment returns, mortality and the healthcare cost trend. Amounts determined regarding the funded status of the Trust and the annual required contributions of the District are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

Plan Description: The District provides postemployment health care benefits (OPEB) for retired employees in accordance with negotiated contracts with the various bargaining units of the District. The Other Postemployment Benefit Plan (the "Plan") is a single-employer defined benefit healthcare plan. During the year ended June 30, 2010 the District signed an irrevocable trust (the "Trust") agreement. The District appointed a Retirement Board of Authority with authority to make decisions on behalf of the District with respect to the Futuris Public Entity Investment Trust Program. The Benefit Trust Company was appointed as the custodian and trustee to administer the Futuris Public Entity Investment Trust. OPEB provisions are established and amended per contractual agreement with employee groups. Management of the Plan is vested in the Retirement Board of Authority, which consists of five members.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Plan Description, continued: The following is a description of the current retiree benefit plan.

	AFSCME	Certificated Management	Certificated	Classified	Classified Management
Benefit types provided *	Medical, Part B	Medical, Part B	Medical, Part B	Medical, Part B	Medical, Part B
Duration of Benefits	Lifetime	Lifetime	Lifetime	Lifetime	Lifetime
Minimum Age	Retirement from	Retirement from	Retirement from	Retirement from	Retirement from
Required Service	Applicable	Applicable	Applicable	Applicable	Applicable
	Retirement	Retirement	Retirement	Retirement	Retirement
	System	System	System	System	System
Dependent Coverage ***	Yes	Yes	Yes	Yes	Yes
District Contribution %	100%	100%	100%	100%	100%
District Cap**	Active Single Cap	\$450 per month	\$450 per month	Active Single Cap	Active Single Cap

*Some grandfathered employees and retirees are eligible for employer paid dental benefits.

**The District contribution is changed periodically. Grandfathered employees and retirees receive benefits that may exceed this cap.

***The dependent coverage has changed overtime. Depending on the year of retirement, not all dependents may be covered.

Plan membership: For the June 30, 2023 actuarial valuation, Plan membership consisted of the following:

	Number of Participants	
	2024*	2023
Inactive Employees/Dependents Receiving Benefits	673	673
Active Employees	1,035	1,035
	<u>1,708</u>	<u>1,708</u>

*Number of participants for 2024 is based on the June 30, 2023 actuarial valuation. As such, the number of participants will be the same until the next actuarial valuation is completed.

Certificated Employees: Employees of the San Mateo County Community College District, upon meeting the years of District service requirement and the “Magic 75” which is employee’s Age plus Years of District service, will qualify for retiree benefits as indicated in their Collective Bargaining agreement. Retiree Benefits package may differ depending on hire date. The years of District service required are 10 years if hired prior to September 8, 1993 and 20 years if hired on or after September 8, 1993.

CSEA, AFCSME, and All Non-represented Employees: Employees of the San Mateo County Community College District, upon meeting the years of District service requirement and the “Magic 75” which is employee’s Age plus Years of District service, will qualify for retiree benefits as indicated in their Collective Bargaining agreement. Retiree Benefits package may differ depending on hire date. The years of District service required are 10 years if hired prior to July 1, 1992 and 20 years if hired on or after July 1, 1992.

Benefit Payments: The Plan provides medical and dental insurance benefits to eligible retirees and their spouses. The Plan is included in the District's financial report and separately presented as a fiduciary fund.

**SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT
RETIREMENT FUTURIS PUBLIC ENTITY INVESTMENT TRUST
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Contributions: Eligible employees are not permitted to make contributions to the Trust. The Plan administrator shall, on behalf of the employer, make all contributions to the Trustee. All contributions shall be paid to the Trustee for investment and reinvestment pursuant to the terms of the trust agreement. The District does not have contractually required contributions rates, but contributes in an amount sufficient to fully fund the Net OPEB obligation over a period not to exceed 30 years. Contributions to the Trust from the District were \$7,232,369 and \$7,116,798 for the years ended June 30, 2024 and 2023, respectively.

Investment Options: Benefit Trust Company (“BTC”), the Asset Custodian, maintains the Trust’s investments in various mutual funds, and is the record keeper. BTC contracted with Morgan Stanley Smith Barney as the investment advisor. Funds allocated to the Asset Custodian are invested according to the investment policy statement (IPS) developed and approved by the Retirement Board of Authority in a combination of equity and fixed income investments.

Investment Valuation: Investments are reported at fair value based upon market prices, when available, or estimates of fair value, and unrealized and realized gains and losses are included in the Statement of Change in Trust Net Position.

Net OPEB Liability (Asset) of the Trust: The components of the net OPEB liability (asset) of the Trust at June 30, 2024 and 2023, were as follows:

	2024	2023
Total OPEB liability	\$ 127,780,927	\$ 123,221,617
Fiduciary net position	150,256,106	137,223,404
Net OPEB liability (asset)	\$ (22,475,179)	\$ (14,001,787)
Fiduciary net position as a percentage of the total OPEB liability	118%	111%

Actuarial Assumptions: Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. Actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimations are made about the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculation.

In the June 30, 2023 actuarial measurement date, the entry age actuarial cost method was used. The actuarial assumptions included a 6.00% investment rate of return (net of administrative expenses), based on assumed long return on plan assets assuming 100% funding through the Trust. Healthcare cost trend rates were 4%. An inflation rate of 2.50% and an expected payroll increase of 2.75% were utilized. The actuarial present value of projected benefit payments is added for all employees to get the actuarial present value of total projected benefits and estimates present value of all future retiree health benefits for all employees and retirees. Participation rates were noted at 100% for certificated and classified employees. Mortality rates for certificated employees were based on the 2020 CalSTRS mortality tables.

**SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT
RETIREMENT FUTURIS PUBLIC ENTITY INVESTMENT TRUST
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Actuarial Assumptions, continued: Mortality rates for classified employees were based on the 2021 CalPERS active mortality for miscellaneous employees.

All actuarial assumptions above were the same as those used for the June 30, 2023 actuarial measurement date.

Plan Investments: The plan discount rate of 6.00% as of June 30, 2024 and 2023 was determined using the following asset allocation and assumed rate of return:

Asset Class	Percentage of Portfolio		Rate of Return	
	2024	2023	2024	2023
Fixed Income	50%	50%	4.50%	4.50%
Equities	50%	50%	7.50%	7.50%

Rolling periods of time for all asset classes in combination were used to appropriately reflect correlation between asset classes. This means that the average returns for any asset class do not necessarily reflect the averages over time individually, but reflect the return for the asset class for the portfolio average. Additionally, the historic 30 year real rates of return for each asset class along with the assumed long-term inflation assumption were used to set the discount rate. The investment return was offset by assumed investment expenses of 25 basis points. It was further assumed that contributions to the plan would be sufficient to fully fund the obligation over a period not to exceed 30 years.

Money-weighted rate of return on OPEB plan investments for the years ending June 30, 2024 and 2023 was 11.0% and 7.2%, respectively.

Sensitivity of the Net OPEB Liability (Asset) to Assumptions: The following presents the net OPEB liability (asset) calculated using the discount rate of 6.00% for June 30, 2024 and 2023. The schedule also shows what the net OPEB liability (asset) would be if it were calculated using a discount rate that is 1% lower and 1% higher:

	Current		
	1% Decrease (5.00%)	Discount Rate (6.00%)	1% Increase (7.00%)
June 30, 2024			
Net OPEB liability (asset)	\$ (6,157,125)	\$ (22,475,179)	\$ (35,918,500)

	Current		
	1% Decrease (5.00%)	Discount Rate (6.00%)	1% Increase (7.00%)
June 30, 2023			
Net OPEB liability (asset)	\$ 1,668,227	\$ (14,001,787)	\$ (26,932,317)

**SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT
RETIREMENT FUTURIS PUBLIC ENTITY INVESTMENT TRUST
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

The following table presents the net OPEB liability (asset) calculated using the health care cost trend rate of 4.0%. The schedule also shows what the net OPEB liability (asset) would be if it were calculated using a health care cost trend rate that is 1% lower and 1% higher:

	Healthcare Cost		
	1% Decrease	Trend Rate	1% Increase
June 30, 2024	(3.00%)	(4.00%)	(5.00%)
Net OPEB liability (asset)	\$ (38,913,257)	\$ (22,475,179)	\$ (1,944,048)

	Healthcare Cost		
	1% Decrease	Trend Rate	1% Increase
June 30, 2023	(3.00%)	(4.00%)	(5.00%)
Net OPEB liability (asset)	\$ (28,746,254)	\$ (14,001,787)	\$ 4,329,796

Plan Termination: In the event of Plan termination, the net position of the Trust would be allocated as prescribed in the Trust documents, generally to pay in the order indicated below:

- District's remaining retiree medical benefit liabilities.
- Reasonable expenses of administering the Trust.

Any assets remaining in the Trust after paying off the above liabilities shall revert back to the District.

NOTE 2 – INVESTMENTS

The Trust has adopted an internally developed investment policy that is governed by the standards established in the California Constitution. In addition, the Trust has written investment policies regarding the type of investments that may be made specifically for the Trust and the amount, which may be invested in any one financial institution or amounts that may be invested in long-term instruments. Management believes the Trust has complied with the provisions of statutes pertaining to the types of investments held, institutions in which deposits were made, and security requirements.

The fair values of the Trust's individual investments at June 30, 2024 and 2023, are as follows:

	2024	2023
Mutual funds - fixed income	\$ 45,035,837	\$ 67,342,465
Mutual funds - equity	97,903,433	60,329,654
Mutual funds - real estate	7,538,550	9,912,404
Total Investments	\$ 150,477,820	\$ 137,584,523

**SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT
RETIREMENT FUTURIS PUBLIC ENTITY INVESTMENT TRUST
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 2 – INVESTMENTS, continued

During the fiscal years ended June 30, 2024 and 2023, the Trust's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated as follows:

	2024	2023
Dividends and other	\$ 5,366,971	\$ 5,523,097
Realized gains, net	3,200,076	459,553
Unrealized gains, net	6,938,766	3,651,379
Administrative expense	(473,111)	(472,819)
Total Investment Income	<u>\$ 15,032,702</u>	<u>\$ 9,161,210</u>

Custodial Credit Risk: The California Government Code requires California banks and savings and loan associations to secure the Trust's deposits by pledging government securities as collateral. The market value of pledged securities must equal 110% of an agency's deposits. California law also allows financial institutions to secure an agency's deposits by pledging first trust deed mortgage notes having a value of 150% of an agency's total deposits and collateral is considered to be held in the name of the Trust.

Credit Risk: The Trust's investment policy requires all fixed income investments to be of investment grade quality or higher at purchase; that is, at the time of purchases, rated no lower than "BBB" by Standard and Poor's. The Retirement Board of Authority, at their discretion, may impose a higher standard on an individual investment manager basis as circumstances or investment objectives dictate. At June 30, 2024 and 2023, the Trust investments consisted of open-end mutual funds, therefore there are no credit ratings to disclose.

The OPEB Trust investments consisted of open and closed-end mutual funds, therefore, there are no significant interest rate risk related to the investments held, as there are no maturities related to the mutual funds held.

Fair Value of Financial Instruments: The following methods and assumptions were used by the Trust to estimate the fair value of its financial instruments at June 30, 2024 and 2023.

Fair Value Hierarchy: Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

**SAN MATEO COUNTY COMMUNITY COLLEGE DISTRICT
RETIREMENT FUTURIS PUBLIC ENTITY INVESTMENT TRUST
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 2 – INVESTMENTS, continued

Assets Recorded at Fair Value: The following table presents information about the District's assets measured at fair value on a recurring basis as of June 30, 2024 and 2023:

June 30, 2024	Total	Level 1	Level 2	Level 3
Investments				
Mutual funds - fixed income	\$ 45,035,837	\$ 45,035,837	\$ -	\$ -
Mutual funds - equity	97,903,433	97,903,433	-	-
Mutual funds - real estate	7,538,550	7,538,550	-	-
Total	<u>\$ 150,477,820</u>	<u>\$ 150,477,820</u>	<u>\$ -</u>	<u>\$ -</u>
June 30, 2023	Total	Level 1	Level 2	Level 3
Investments				
Mutual funds - fixed income	\$ 67,342,465	\$ 67,342,465	\$ -	\$ -
Mutual funds - equity	60,329,654	60,329,654	-	-
Mutual funds - real estate	9,912,404	9,912,404	-	-
Total	<u>\$ 137,584,523</u>	<u>\$ 137,584,523</u>	<u>\$ -</u>	<u>\$ -</u>

Mutual funds were valued at closing prices from securities exchanges and are classified as Level 1 investments.

During the years ended June 30, 2024 and 2023, there were no significant transfers in or out of Level 1.

There were no assets or liabilities measured at fair value on a non-recurring basis at June 30, 2024 and 2023.

OTHER INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees
San Mateo County Community College District
San Mateo, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the accompanying financial statements of San Mateo County Community College Retirement Futuris Public Entity Investment Trust (the "Trust"), a fiduciary fund of San Mateo County Community College District as of and for the year ended June 30, 2024, and the related notes to the financial statements, and have issued our report thereon dated November 21, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over the Trust's financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over the Trust's financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting for the Trust.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District’s Trust financial statements are free of material misstatement, we performed tests of the Trust’s compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit; and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance for the Trust. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity’s internal control and compliance for the Trust. Accordingly, this communication is not suitable for any other purpose.
