

NEW YORK CITY GLOBAL INTERNSHIPS

Gain global work experience. Prepare for your future career. Complete project-based deliverables. Connect with international employers, local events and fellow students.

Exact opportunities can vary due to such factors as market trends, time of year, and economic outlook. Strong industry sectors for global internships in New York City include, but are not limited to, the following:

- Business & Marketing: professional services, financial services, branding, public relations, advertising, public relations, and more
- Healthcare & Education: healthcare management, research, education, children's services support, fitness, policy, and more
- Arts & Culture: design firms, retail, ecommerce, fashion, entertainment, galleries, and more

“The global internship online allowed me to see different perspectives and gain confidence in my own abilities” (Summer 2021 Intern)

Sample Placement with Public Relations Firm: edit pitch documents, draft campaign plans, and develop social media content calendar

Sample Placement with Arts & Culture Nonprofit: research funding opportunities, review grant proposals, and draft development strategy

Sample Placement with Financial Planning and Wealth Management Company: conduct industry research, organize data, and compile business valuations

The Global Career Center (GCC) team works to match each student with an internship that most closely connects to individual career goals, interests, and experience level. In addition to placement and support throughout the project, the GCC program includes a series of professional events and cultural activities designed specifically to make the most of the experience, connect with the local community, and build global employability.
