

SAN FRANCISCO GLOBAL INTERNSHIPS

Gain global work experience. Prepare for your future career. Complete project-based deliverables. Connect with international employers, local events and fellow students.

Exact opportunities can vary due to such factors as market trends, time of year, and economic outlook. Strong industry sectors for global internships in San Francisco and the Bay Area include, but are not limited to, the following:

- **Business & Trade:** professional services, regional convention bureaus, industry associations, financial services, and more
- **Marketing & Technology:** software development, social media strategy, public relations, brand management, web design, and more
- **Healthcare & Education:** policy research, NGOs, think tanks, community agencies, galleries, healthcare consultancies, and more

“The global internship online allowed me to see different perspectives and gain confidence in my own abilities” (Summer 2021 Intern)

Sample Placement with Marketing Agency: compile suite of graphics for clients, including logo designs, mock-ups, user interfaces, and page layout designs

Sample Placement with Financial Services Consultancy: test and verify financial models as part of portfolio management strategy

Sample Placement with Social Services NGO: assist program manager with client outreach and development of online activities with families and children

The Global Career Center (GCC) team works to match each student with an internship that most closely connects to individual career goals, interests, and experience level. In addition to placement and support throughout the project, the GCC program includes a series of professional events and cultural activities designed specifically to make the most of the experience, connect with the local community, and build global employability.
