Arrive in London: Welcome to the cosmopolitan city of London, truly one of the world's great cities. Depending on your arrival time, you may have free time to settle in and explore on your own.

Explore London: Ready to see London on foot? Stretch your legs and set out through Trafalgar Square, Covent Garden, the Strand and Leicester Square on a walking tour of the city.

Day 3: London

Sightseeing tour of London: From Big Ben to the Houses of Parliament, Great Britain's royal tradition and rich history greet you at every turn. Admire architectural marvels like St. Paul's Cathedral, and check out the five-way intersection at Piccadilly Circus and the urban greenery of Hyde Park. You may even get a chance to witness the ceremonial Changing of the Guard. Cap off your tour at the River Thames and snap photos of the Tower of London.

Windsor Castle: At this former fortress, see priceless objects in the State Apartments, like paintings by Rubens and Holbein. Encounter the Gothic splendor of St. George's Chapel, final resting place of many monarchs. Discover Queen Mary's Dolls' House, where castle items are replicated in 1/12th scale—including a working lighting system and functional plumbing.

Day 4: London

📍 **Stonehenge and Bath:** Discover the United Kingdom's most mysterious landmark on your visit to Stonehenge. This configuration of massive boulders seems to rise out of nowhere on the misty hills of Wiltshire. Before returning to London, you'll also visit the acclaimed Roman baths, built by the Romans in the 1st century to enjoy the hot springs. Today, these baths remain the finest Roman ruins in Britain. Those who do not participate in the optional excursion will enjoy a free day in London.

Day 5: London

Sightseeing tour of Tower of London: Enter through thick defensive walls and take a look behind the Tower of London's imposing stony facade. Henry VIII banished two of his wives to this former prison, where Guy Fawkes also spent his final days. But the Tower's most famous occupant—the Crown Jewels—still resides here today. On your tour, behold this jaw-dropping collection of ornate rings, scepters, swords and royal vestments.

Sightseeing tour of British Museum: London's British Museum houses one of the greatest collections of human cultural history in the world. As you peruse the world's first public museum, you'll see priceless reliefs from the Athenian Parthenon (the Elgin Marbles) and the Rosetta Stone—which enabled archaeologists to decipher Egyptian hieroglyphics. But the museum doesn't neglect Great Britain's own history. You'll also see the ancient bog-preserved body of the Lindow Man and other relics of the British Isles.

Theater performance: Celebrate London's vibrant drama scene with a visit to a local theater performance this evening.

Day 6: London

Free day in London: London is yours to explore as you wish. Grab some friends and browse new and vintage wares at Notting Hill's Portobello Market or simply relax in one of the many green spaces the city has to offer. Alternatively, get lost in the Tate Modern's stunning collections of contemporary art.

📍 **Select your excursion:** Choose to participate in one of three optional excursions today. You can take part in an informative Q&A session that examines the British healthcare system or go on a business visit to a leading company in London—a city known for its prominent role in the global market. Alternatively, you might choose to go on a Dickensian walking tour, during which a literary expert traces the history of Charles Dickens and the inspiration behind the author's most famous works, including *A Tale of Two Cities*, *Oliver Twist* and *David Copperfield*.
