

Financial Aid Checklist

NCSAC Semester Abroad – London Fall 2022

General Information Regarding Using Financial Aid for Study Abroad:

If you enroll in a San Mateo County Community College District-sponsored study abroad program, you may apply for financial aid through your SMCCCD home college's financial aid office. As eligible, you will be considered for all aid programs (Pell Grant, SEOG, Cal Grant, California College Promise Grant (CCPG – formerly known as the BOGFW), Direct Loan, Parent Loan for Undergraduate Students (PLUS), except Federal Work Study. Depending on the cost of your study abroad program, the financial aid you receive may or may not meet your full demonstrated financial need. To make up the gap between your aid and the full [cost of your program expenses](#), you may want to apply for [scholarships](#) or an alternative loan. You are responsible for making any payments for the program by the appropriate deadlines. Please contact your home campus financial aid office for additional information and assistance.

Using Financial Aid for an NCSAC Semester Abroad Program:

For Fall 2022, College of San Mateo (CSM) is the "financial aid home institution" for all SMCCCD students participating in the NCSAC Semester Abroad Program. CSM's Financial Aid Office will assist students by certifying paperwork needed to defer your payment to AIFS until your financial aid funds are disbursed for the Fall 2022 semester. CSM's Financial Aid will collect and process your [AIFS Financial Aid forms](#) and [consortium agreements](#) to ensure you receive your scheduled financial aid disbursement. This includes processing the consortium agreements with the other participating colleges outside the SMCCCD.
