

Responding to On-Campus Immigration Enforcement Activities

Updated January 24, 2025

1

NOTIFY the President's Office immediately if you are aware of immigration enforcement activities on campus. If the President's Office is closed, contact Public Safety.

No employee outside of the President's Office is authorized to accept legal documents from immigration enforcement officers.

2

DOCUMENT and provide the President's Office or Public Safety with all details of immigration enforcement activities as soon as possible.

Include time, location, officer name/credential, and details of officer's request, if known.

3

ESCORT officers to the President's Office. If you do not feel comfortable escorting officers, contact Public Safety to assist.

You may not give consent for an immigration officer to enter any non-public area of campus (e.g. classrooms, office areas, etc.)
